Bright Futures Educational Trust is a Multi-Academy Trust with eight schools ranging through Primary, Secondary, Sixth Form College and a Special School. The academies are based in the North West and include two in Blackpool, South Shore Academy which is a secondary school and Marton Primary Academy and Nursery.

We are seeking candidates for two posts of Cover Supervisor, both of which will be based at South Shore Academy and will provide additional cover at Marton as needed. The role holders will be responsible for supervision of lessons due to the short term absence of colleagues, ensuring that good order is maintained and that lessons are a well organised and a relevant learning experience for all pupils.

Candidates should have experience of working with young people, ideally in a secondary school and have excellent oral and written communication skills. An ability and willingness to ensure good discipline and adherence to Academy rules will also be essential along with a minimum of grade C in English and maths.
