

South Shore Academy
BRIGHT FUTURES EDUCATIONAL TRUST

28/4/20

Dear Parent / Guardian

It gives me great pleasure to welcome your son/daughter to South Shore Academy and I would like to take this opportunity to wish you good health and hope that you are safe during these difficult times.

South Shore Academy is a vibrant and active school community where learning and achievement in their wider sense, are viewed as the core purpose of our work. We will provide a new, exciting, inclusive and engaging curriculum and create an atmosphere of mutual respect so that we are able to meet the individual needs of our children. Our commitment to you is simple: we strive to ensure that students leaving South Shore Academy will be resilient, proactive and independent learners able to face the challenges of the adult world. In order to achieve this, we need to work in partnership with you and your child to make his or her transition to secondary school as seamless as possible.

I would like to share with you some quotes from our recent Ofsted inspection report.

“Pupils told us that they are happy at South Shore Academy. They were keen to tell us how much the school has improved over the past 18 months.”

“Pupils know that only good behaviour is acceptable. We saw pupils working hard in class because teachers have high expectations of them. The pupils that we talked to said that they feel safe and that bullying is not an issue. They said that even though friends sometimes fall out, teachers quickly sort out any problems between pupils. Pupils feel that the support that adults at the school provide really helps them to learn.”

If you have any enquires or questions regarding South Shore Academy please do not hesitate to contact us on the transition email address: transition@ssa.bfet.uk or visit our website for further information at www.southshoreacademy.co.uk. We also have an official Twitter page which you can follow @SSABlackpool and please like us on Facebook. We have posted our transition booklet to you for your child to read through for further information also.

As soon as we have more information from the government on the reopening of schools we will update you on key dates and transition events.

All of us here at South Shore look forward to meeting you.

Yours Faithfully

Neil Reynolds (Head Teacher)

St Annes Road, Blackpool, Lancashire FY4 2AR
