15th June 2020

School Uniform Update

How to Purchase school uniform this year

Due to the Covid-19 pandemic, our business will look very different this summer, as will almost every other retail business in the UK. The Government have announced that we may reopen on 15th June 2020, with many restrictions in place.

Please note the following actions to comply with Government directive

1. To enable social distancing we will only be allowing two families into the shop at any point, so be prepared for potential queues
2. We are unable to open the changing rooms (so you may need to get your tape measures out at home)
3. Cleaning will be increased and alcohol hand wash will be available for all customers
4. Screens are in place at all service counter points / tills

Actions from you to help yourselves

Option 1. Order [online](#) now for delivery

Option 2. Order [online](#) now for Click and Collect

Option 3. We are providing a limited number of appointments, these will be available Monday – Saturday outside of normal working hours (updates via website and social media)

Option 4. Join the queue on Highfield Road. We cannot possibly serve everyone by this method during peak times, so we are encouraging all customers to utilise options 1 and 2 where possible.

Do not wait-Order now to guarantee supply

We will be providing additional information and updates via our website and via our social media platforms
