

**South Shore Academy**  
BRIGHT FUTURES EDUCATIONAL TRUST

16 October 2020

Dear Parent/Carer

Further to our previous letter we have had another positive test and a greater proportion of staff absence due to Government led track and trace systems as they are having to self-isolate for 14 days. Currently, we are unable to provide onsite teaching for your child's year group. I appreciate the disruption this may cause to your family and we will resume on site teaching for all year groups as soon as we are able.

Your child can access work through Class Charts. Full details and a link are available on the school website to support home learning. If you have any queries, please contact the school via: [RemoteLearning@ssa.bfet.uk](mailto:RemoteLearning@ssa.bfet.uk)

They also have a work pack to complete.

If you are eligible for Free School Meals and would like to arrange a school meal while your child is absent, please also contact the main school office.

As a school, we are following the government guidance to ensure the safety of our pupils, their families and our staff. Our social distancing measures, cleaning and hygiene arrangements are in place throughout the day.

There is further information about Coronavirus, and the measures we are taking to protect children, on our school website.

The students are to return to the academy on Monday 2 November 2020.

Thank you for your continued support

Neil Reynolds  
Headteacher
