

South Shore Academy
BRIGHT FUTURES EDUCATIONAL TRUST

13th January 2021

Dear Parents and Carers,

**Asymptomatic Lateral Flow Testing for Covid 19
Tomorrow, 14th January 2021**

The tests will be administered throughout the day tomorrow for those students with parental consent. Fylde Coast Medical Service will be administering the tests and providing on-site training for school staff to enable them to conduct tests safely moving forward.

Results are processed within 30 minutes of taking the test. The results are forwarded to a dedicated and secure school mobile. This data will be destroyed after 14 days. Please refer to the Data Processing Notice published on our website for further details.

Should your child receive a positive test, a member of staff will contact you and you must collect your child immediately. Your child must isolate for 10 days. They may return to school on Monday, 25th January unless they develop symptoms, in which case the 10 days period begins again. In accordance with statutory government regulations all members of your household must also self-isolate for 10 days.

Should your child receive a negative result, they will return to class and commence their studies as normal. A text message will be forwarded to parents / carers to confirm the negative result before the end of the school day.

Please do not hesitate to contact the academy if you have any queries or concerns and someone will get back to you as soon as possible.

Yours sincerely
